Attention: While a Giro helmet provides significant protection, it cannot provide total protection from all foreseeable impacts. Please exercise care and good judgement whenever you ride and comply with traffic regulations so as to avoid accidents of any kind. All models, styles and colors may not be available in all markets. We reserve the right to change model specifications at any time.

Safety: All U.S. 2005 model year cycling helmets comply with the United States CPSC safety standard for bicycle helmets. Giro cycling helmets distributed in Europe meet the requirements of the European Personal Protective Equipment Directive 89/686/EEC and carry the CE mark.
